BULL POWER SOUND - BONNET WITH BUILT-IN BLUETOOTH STEREO HEADPHONES - CAMOUFLAGE

Description

BULL POWER SOUND

Bonnet with built-in Bluetooth stereo headphones, joined with acrylic blend yarn quality.

Once paired with your smartphone, you can listen to music, check the volume and answer incoming calls with the simple touch of a key.

Compatible with most Bluetooth devices, this bonnet has a special inner vent that lets the speaker to be removed with simplicity as to allow the washing of the hat.
